# ToadShow Order Form

**Funny, irreverent, political and just plain silly. That was the Cane Toad Times, a humour magazine that persisted in Queensland from 1977 on and off until 1990.**

## Collectors edition of **The Cane Toad Times** **WARTS and ALL:** Best of collection 1977-1990

This anthology is full-colour throughout, A3 size, 56 pages, with a cover by Matt Mawson, introductory essays by Dr John Jiggins (First Collective) and Anne Jones (Second Collective), the final previously unpublished episode of Killer Greely by Dave Tyrer, plus the best material from all 22 editions including reproductions of the covers, lots of cartoons, stupid quizzes and strange lists.

Originally published in 2005, Warts and All was reprinted in November 2011 to coincide with the State Library of Queensland exhibition, *Cane Toad Times: Poking Fun in a Police State*.

**The cost is \$39.95 plus postage and handling \$15 (within Australia). Plus, at no extra, we'll include a copy of Robert Whyte's curator's essay from the exhibition (while stocks last).**

If you know any contributors or fans, please let them know there are still a few copies available.

***First come, first served.***

*Buy now or face a lifetime of regret.*
